

Business Immigration

Nationwide Immigration Services

Let's do it right...the first time

What is Business Immigration

- Business Immigration is for the people who has good knowledge and experience of their business and are looking for opportunity to invest in Canadian market to grow the economy. These individuals get work permit on the basis of their investments and gradually they can apply for Permanent Residency in Canada.

Factors considered in Business stream

- Every Province has same basic requirements with some exceptions
- Factors on which applicants can score points
 - ✓ Age
 - ✓ Net Worth
 - ✓ Investment
 - ✓ Business Experience
 - ✓ Language
 - ✓ Education
 - ✓ Adaptability

Special Notes

- Alberta's Business Immigration is based on IRCC process. There is nothing particularly about Alberta
- Each province ask for Exploratory Visit of 5 business days in last one year
- For Adaptability Each province give points for study and work of prime applicant or spouse in that province. Some provinces has extra points on specific factors mentioned in chart.
- The applicant must have 33.3% of minimum share holding in Business and minimum 3 yrs of work experience as owner or 5 yrs as senior manager position
- All the Investment or net worth shown should be verifiable.

Business Research Visit

- A Business Plan is required and is an integral part of the application.
- A business research visit allows the applicant to conduct extensive research of their future business investment or proposal. The Business Research Visit must be conducted no more than one year prior to the submission of your EOI.
